Artwork may be submitted as a Word document, high resolution jpeg (300ppi), or vector pdf file. If you are using non-standard fonts please convert these to outlines or save as a hi-res jpeg file.

If you have an image as background allow at least 5mm space beyond the text, and do not add a border, we will do that. If you want a coloured border of particular width of rule or colour please specify this when you submit artwork.

The advertisement year runs from the February-March issue and Advertisers are invoiced for six issues, unless they specifically book for just one issue.

To help limit administration for our volunteers, statements are not issued and Advertisers are expected to pay in full within 28 days of receiving the invoice.
