

Genesis 18: 1-15: Welcoming, being kind and offering hospitality

Activity

Decorate a tea-towel, handkerchief, or plain piece of paper with symbols of hospitality.

What meal would you like to give to a friend or stranger who came to visit?

What meal would you like to receive if you visited someone?

Some drawing ideas are attached, but maybe you could also include the **first names** of people you would like to offer hospitality to; a friend, or someone you would like to be a friend to.

What would you offer them? A drink, something to eat, some of your time to listen and chat? What does that person most need? **Draw or write your ideas on the cloth or paper...**

Be careful if you decorate a tea-towel or handkerchief and want to wash it. The colours may run and your artwork will disappear or won't look the same!!
