

Suggested on-line children's' activities

for the All Saints' Service 10am on 1st November 2020

- *Children could make animal masks and show them at the end of the service and tell everyone what they can do that is special.*
- *Find out more about St Mary or St Michael and share one interesting fact you didn't know when we meet up at the end of the service*
- *Make a 'Saint me' placemat, perhaps using the 'All Saints writing paper' printed out. On a blank sheet of paper or card label it with "St." and your name ("St. Charlotte", "St. Jack", and so on), then write words or draw pictures to symbolise the type of saint you hope to become*
- *(For those in Church, count how many saints you can see in our windows from your seat. Tell us at the end.)*
- *Activity sheets that you can print out from the website:*
 - *Acrostic poem*
 - *Share the story sheet (4 pages)*
 - *Soul cake recipe (for later)*
