

Reflection for the Week: 29th June to 5th July

This week I have scanned the letter from our CMS Partners, Jess and Mark Simpson. As you read the letter you will realise they need our prayers. It would be great if you could spend some time praying for the Simpsons this week, thanking God for all they have done and praying for the community they are preparing to leave.

I have scanned the letter separately and posted it in the Reflections area.

Mandy
