## From the Vicar . . .

As I write this we've just celebrated the King's Coronation and are looking forward to the warm summer months. The overriding theme of the last few weeks seems to have been flowers - in church, as the craft activity of Memory Café and the craft activity for MOPS. The photos speak for themselves. Flowers remind me of the beauty, diversity and fragility of the world in which we live. Can you imagine a spring without any daffodils? It is so easy to take nature for granted. Being attentive to and thankful for the beauty and intrinsic value of our environment also has psychological benefits. On this topic, have you ever made a list of the things to be grateful for each day? It is a good exercise to try, even for a short time. Do any patterns emerge?

## Flowers in Church

Flowers adorn times of celebration and mark times of great personal sadness; they are our constant companions. Here are some photos of flowers we had in church to celebrate the Coronation.

*Mandy*

## Delivering The Trumpet

Most issues of *The Trumpet* carry a small note headed 'Could you help deliver *The Trumpet*?' and we are very grateful to all those members of our community who deliver the 6,000+ copies every 2 months. For the last (April/May) issue, we had to adjust our deliveries and were able to call on a small number of readers who were able to join our active list. All the copies were delivered smoothly, but I have now exhausted that pool. If you would like to join our team please do contact me, so I can rebuild our reserves. For your information the round size varies between just 12 and about 100 and the copies are delivered direct to you.

## Our Mothers' Union

### In loving memory of Don and Maureen

Since last writing we have lost two very special people from our membership. Don French who died peacefully at home on 7 April and Maureen Dobson who died on 26 April. Both Don and Maureen gave lovingly to their communities of Fulbourn and Shelford respectively, as well as giving warmth and love to the members in our branch. They will be greatly missed.

We did not meet in April so the next time we get together will be 22 June when we will have a talk by Barry called 'My Aviary'. At the 27 July meeting we will discuss our hobbies. Hopefully we can look forward to our summer meetings being in the garden.

*If you would like to find out about joining the Mothers' Union please contact me on 01223 510256 or email mothersunion@trumpington.church

### Royal British Legion

Writing this as the terrible events in Sudan have unfolded reminds us that our armed forces are often called on at very short notice to execute tasks that they never thought they would be asked to perform when they joined up, and in quite hostile and uncertain environments, helping desperate people to escape to our civilised society. The headlines have been made by the work of the Royal Marines in holding the airfield north of Khartoum and the civilian Border Force staff who have deployed with them, but what did not make the headlines was the support group of Royal Engineers keeping the runway in such a state of repair that C130 Hercules could land and take off. *Ubique* (everywhere) is their motto.

You may have noticed press articles that from 2023 all new stocks of poppies will be fully recyclable. We will have them but first using up our stocks from previous years. I have now received the audited 2022 Poppy Collection figures and ours was £20,494, a tremendous figure of which 48% of donations were contactless. The national total was £47.7 million. This will enable the RBL to continue its valuable work, which it has been doing for over 100 years.

### Trumpington Park Primary School named Little Wandle Champion School

This is the first in Cambridgeshire and one of only 11 across the UK. The school introduced the resource in September and, following excellent progress, its phonics screening for Reception and Year 1 is well on track for a 90-95% pass rate this year. Following a visit by Little Wandle assessors, it has been selected as a Champion School for its 'exemplary practice',

June & July 2023

including meeting 16 Standards of Excellence, and will support other schools in the successful implementation of the resource.

"It is a huge privilege to be named a Little Wandle Champion School in recognition of our work, and drive and desire to contribute to its development and impact in other schools, which will include us being a Little Wandle trainer," said Charlotte Yarrow, Assistant Headteacher and Reading Leader at Trumpington Park.

### Trumpington Repair Café

The Repair Cafés movement brings people who want things mended together with people who love mending things. It is growing fast and we now have a group in Trumpington. Our first café was held on 15 April in Trumpington Pavilion and was a great success. A huge variety of items were brought along - a food mixer, a ceramic bird ornament, a CD player, garden shears, torn trousers and an old clock to mention just a few. There was a lovely atmosphere, a lot of cake was eaten, precious items were saved, people saved money on buying new things and a lot less stuff went in the bin lorries going to landfill.

We had more people wanting to book repairs than we had time for, but we are planning to hold four events a year in venues around the village. The second Café being 18 June at Trumpington Meadows Primary School from 2pm to 5pm.

*If you would like to take part in any way, please contact us:  
[trumpingtonrepaircafe@gmail.com](mailto:trumpingtonrepaircafe@gmail.com)*

### The Clay Farm Centre - Summer Update

We have lots on the horizon, the Summer Reading Challenge is around the corner, and we have sports and disco events, and a magic show lined up too. Check out our socials @clayfarmcentre and 'What's On' weekly bulletin for information about everything going on.

Our library is open, themed crafts and activities are on the horizon for the school holidays and term time alike. We've had Spring and the King's Coronation themed activities already.

The Café is always popular so why not stop by for a friendly chat, a great book and a cuppa. If you are a knitter or like crochet, come and join the stitching group on Tuesday mornings from 10:30am. We have the Lego out after school on Thursdays in the Café 4pm - 6pm and seasonal colouring activities, books, puzzles and games always available in the children's library during opening hours.

Everyone welcome.

### Clay Farm Community Garden - a hive of activity

The Garden was abuzz when a group of volunteers from AstraZeneca created two striking mud kitchens from recycled materials, potted on seedlings, weeded, and mulched. A big thank you to AstraZeneca for the hard-working volunteers; their group leader; and to @Diego, @Bruce and Jane, @Jag for directing operations. All have made a positive difference to the already lovely garden. Why not drop by and admire their work - if you come on Thursday evenings there is the added attraction of our regular garden parties with a visiting food truck or you can bring your own picnic.

Why not join our Action Group along with other neighbours, helping to maintain the garden and make it even more beautiful

Drop-in sessions are displayed on the notice board near the building and on our website: [clayfarmgarden.org](http://clayfarmgarden.org) or join us on WhatsApp, follow us on instagram at [comclayfarmcommunitygarden](https://www.instagram.com/comclayfarmcommunitygarden) or facebook.com/clayfarmgarden

### 3rd Trumpington Brownies

The excitement of last term's trip to Clip'n'Climb was topped at the end of April by a sleepover (wake-over for some!) in Duxford. The Brownies had a wonderful time with games, outdoor activities, and making things, and of course a campfire with singing and toasted marshmallows. Many of the activities contributed towards the Brownies earning an Owl-tastic Challenge badge.

This term we're working on Girlguiding's Skills for My Future theme. This will include activities that develop leadership skills, learning how to use a range of DIY tools, and building moving models. Some of the Brownies have been busy already and completed this term's Jobs, Inventing and Languages interest badges.

We'd love some more adults to join in and help with all the fun!  
If you're interested, please contact Lisa: [browniestrumpington@gmail.com](mailto:browniestrumpington@gmail.com) or register to volunteer at: [www.girlguiding.org.uk](http://www.girlguiding.org.uk)

## TRUMPINGTON STITCHERS

We have some spaces at workshops - learning to crochet a bandana on 5 June, advanced lace knitting on 19 June, and 3 and 17 July (two sessions) when we will make a quilted zipped bag.

Our website has all the details and booking is essential via [jackiec.stitchers@gmail.com](mailto:jackiec.stitchers@gmail.com)

Looking ahead to the summer holidays, we will be at the Community Picnic at King George V playing fields on 16 August with some craft activities for all the family - details to be decided, any requests?

Our usual weekly meetings continue and we always welcome new faces - Mondays at the Pavilion 7-9 for all kinds of Stitching (£3.50 charge), or Tuesdays 10.30-12, free, at Clay Farm Centre café for Stitching for Charity.

Do get in touch via the website [www.trumpingtonstitchers.net](http://www.trumpingtonstitchers.net) or call Carol on 07881 812051 with any queries.

## Trumpington Community Orchard

Spring has been busy! Early in the year we noticed the nesting boxes in the swift tower were being severely damaged by squirrels and they were replaced with innovatively repurposed drawer label slots as reinforced entrances by the Action for Swifts volunteer team, but these were seen as a challenge by the squirrels with redoubled attacks! The resourceful addition of a conical skirt and scat matting as extra barriers on the tower pole seem to have repelled the invaders as all the nesting boxes have been recolonised by local sparrows. We are happy to announce that the swifts returned on 4 May and seem to like their refurbished residences.

We participated in the celebration Orchard Blossom Day organised by the Orchards Network with a workshop that included finger-painting for children and parents accompanied by an afternoon of excellent folk music provided by Ursula, Mike and friends.

The next orchard maintenance session will be held at 11am on Sunday 11 June in keeping with our changed quarterly schedule for volunteers. We also plan to have a summer celebration with our willing band of folk musicians, so keep your eyes peeled for emails from TCO and posters on the orchard gate.

## Trumpington Meadows Community Hub

The Hub is a great way to bring community together. Each week there is a buffet lunch, time to socialise, craft, for children to play and to connect with others. We have shared several Out of the Box stories and wellbeing activities about community and connection, and have welcomed new and existing friends. Recipe bags based on the delicious daal served weekly by the community pantry are available.

Social Prescriber Hannah Henley from Trumpington Street Medical Practice is also on hand to help you with support and connections in the local community that might benefit your health and wellbeing.

There is a friendly, relaxed atmosphere, even VIPs muck in and help (see the photo on page 15). All welcome ages 0-99, 11.45-1.45 at Trumpington Meadows Primary School Community Room, Fridays in termtime.

## 1st Trumpington Scout Group

Following the opening of our second Cub Pack, we are now able to offer Scouting to over 100 young people. We still have a waiting list, but it is now much shorter. Please be in touch if you would like to add your child.

We were absolutely delighted to award our first Gold Chief Scout Award in March and we hope to be able to award one more before the end of term. A number of the Cubs and Beavers have successfully completed their Silver and Bronze Awards. Young people and leaders from each Section joined other Cambridge Scout Groups for a St George's Day hike with five scouts completing the full 27km hike. All sections have camps planned for later in the year and the Cubs and Scouts will also be canoeing in the summer.

None of this would be possible without our amazing adult volunteers. If you were inspired by the Big Help Out and would like to join us, please be in touch. Volunteers aged 18 and over are subject to a DBS check.

We also have Young Leader volunteering opportunities for those doing Duke of Edinburgh Awards.

**Parish Meeting (STPM)**

The next meeting of STPM is on 11 July at 7pm at Trumpington Meadows Primary School. The meeting is held 4 times a year (January, April, July and October).

South Trumpington Parish was established in 2017 and includes all the homes in Trumpington Meadows which are approximately south of Huntsman Road. More details can be found at [www.southtrumpington.co.uk/](http://www.southtrumpington.co.uk/).

All householders pay a precept to the Parish as part of their council tax. The money collected can be used for community-based projects. Registered electors living in the Parish can all have a say in how this money is spent by attending the meeting.

Grants have previously been awarded to the Trumpington Kids Clothes Hub, TMDAG's community events, Trumpington Food Hub, and 1st Trumpington Scout Group. We are looking for other good causes to fund so if you have a good idea, please let us know. The grant policy and grant application form can be found on the website.

Everyone aged 18 and over living in South Trumpington Parish is encouraged to come along to the meeting. If you have ideas for something that will benefit the wider community, please let us know and we will see if we can help.
